Premier Acoustic Product Datasheet

**Model: Programme 50T/
Programme 52T/Programme 60T**

Description

Compact 100v/70v line system with high output and high efficiency

Smooth coverage and frequency response for ideal vocal reproduction and feedback isolation

Sophisticated crossover for smooth frequency and power response

Music/voice tone control switch (52 & 60)

PROTECH^{TM} system limits overload and protects drivers against transient/peak conditions

Specification
